CLERK, US BANKRUPTCY COURT  
EASTERN DISTRICT  
ST LOUIS, MISSOURI

Case: Double Helix Corporation  
Case # 25-40745

Honorable Judge,

I am a St. Louis resident, music journalist, and music fan. KDHX is my favorite station. Though I have lived in St. Louis for almost twenty years, I have also lived in big coastal cities, and have listened to community radio stations in those cities and around the country. I can say without exaggeration that KDHX is the best there is.

No other station in America has such incredible programming and community engagement. St. Louis is a more interesting, more culturally rich, and more tight-knit community because of it.

Because of KDHX, I have learned so much about music, met so many interesting people, and attended so many great events. There is absolutely nothing like it; it cannot be replaced, and losing it would be a terrible tragedy for the area.

Sincerely,

Ben Westhoff
